

Created using SoccerTutor.com Tactics Manager

Procedure:

Ball #1: Player A dribbles past the mannequin and shoots.

Ball #2: Player A comes back to set the wall for Player B, sending him in for a shot on goal.

Ball #3: Player B makes the run outside to wall pass with Player C, and then Player C crosses to Player A for the finish. During the drill, the players rotate from A to B to C to A.

Coaching Points:

- 1 Shooting Angles** – Your last dribble touch should allow you to shoot at all four corners.
- 2 Finishing** – Use ball and body feints to get the goalkeeper moving on his line.
- 3 Finishing the Cross** – Start running to goal when the passer takes his last dribble touch.
