

DRILLS AND GAMES

- 1 Double Pass, Wall #1
- 2 Long Wall
- 3 Wall Passes to Goal

4 2 v 1 → 2 v 2 → 2 v 2

5 Free Play, 9 v 9

Notes: Emphasize aggressive dribbling to set up the wall passes.

TECHNICAL/TACTICAL OBJECTIVES

- 1 The 1st defender gets victimized by both players.
- 2 Make two short passes directly to the feet.
- 3 Look up right after the wall and see the next play.

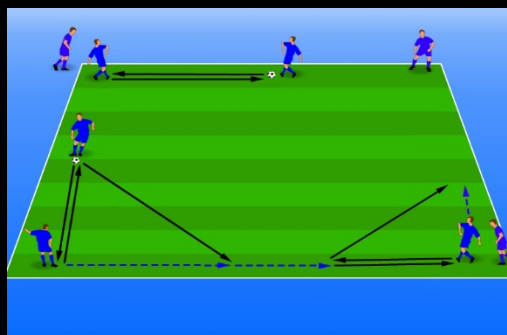

COACHING POINTS

- 1 Set up close to the ball, out of the defender's view.
- 2 Hold the supporting run and sprint into the space.
- 3 Fake the wall when the defender closes it down.

QUESTIONS/TOPICS/NOTES

Are players working back to the ball in order to support their teammates? Is the first or second pass too long? Do we fake the wall and keep possession when the defense sniffs it out?
